

Internship in Securities Lending & Financing

Our internships offer an insight into our corporate culture and working environment as well as the chance for you to work along with some of the best people in the industry. For those with initiative, flexibility and commitment, this is an opportunity to get hands-on experience and develop your professional skills at one of the most prestigious financial services providers in the world.

Main activities:

We are looking for a highly motivated person who will support our Swiss based Securities Lending & Financing team. You will become part of a multi-cultural team that is in contact with all the major international investment banks and the hedge fund industry. You will get a thorough understanding of what collateral trading and financing is.

Joining the collateral trading team will provide you with an exciting investment banking experience. Exposure to a range of challenging tasks broadens your professional skills and offers you early recognition for achievement.

Your profile:

- At least 2 semesters completed at a University or a University of Applied Sciences
- Ideally experience in Finance, Banking, Economics
- Ideally already some experience through internships

Start: August 2010

Duration: 6 months

Interested?
