Business Administration for Life Sciences	B1					B1																					D1																						
Management and Leadership for Life Sciences	B2					B2																																											
Innovation and Project Management	B3												B3																																				
Politics and Society	B4												B4																																				
Handling and Visualising Data	D1																										D1																						
Design and Analysis of Experiments	D2																																	D2														
Modelling and Exploration of Multivariate Data	D3																																	D3														
Data and Ethics	D4																										D4																						
Journal Club Environmental and Natural Resource Sciences	E1					E1																																										
Life Cycle Assessment	E2												E2																																				
Sustainable Natural Resource Management	E3																						E3																										
Ecological Infrastructure in Landscapes	E4																								E4																								
Biodiversity	E5																										E5																						
Water Management for Households, Industry and Agriculture	E6																																	E6														
Sustainable Food Supply Chains	F4																																	F4														
Advanced Sensory Techniques	F5																																											F5					
Applied Research in Natural and Social Sciences	AF-01																																									AF-01							
Knowledge Management and Sharing in Agriculture and Forestry	AF-02											AF-02																																					
Integrated Natural Resources Management	AF-03			AF-03																																												
Logistics, Supply Chain and Network Management	AF-11																AF-11																																	
Consumer Behaviour, Markets and Trade	AF-12						AF-12																																										
Corporate Responsibility, Quality Management and Traceability	AF-13																											AF-13																					
Expansion of Personal Scientific Knowledge	AF-21						AF-21																																										
Holistic Assessment of Production Systems	AF-22																											AF-22																					
Optimisation of Production Systems in Agriculture and Forestry	AF-23																																		AF-23													
Advances in Agricultural and Forest Sciences	AF-24																											AF-24																					
Current Topics in Applied Agricultural and Forest Research	AF-25						AF-25																																										
Policies and Institutions as Drivers for Development and Innovation	AF-32																																		AF-32													
Rural and Regional Development in Practice	AF-33																																								AF-33							
International Forestry	AF-41																						AF-41																										
Land- und forstwirtschaftliche Produktion in Bergregionen	AF-51									AF-51																																							
Natural Hazards and Risk Management	AF-52					AF-52																																										
GIS and the Management of Spatial Data	AF-53																											AF-53																					
Regionalmanagement, Tourismus und Pärke	AF-55									AF-55																																						
Landscape Development and Planning	AF-56																																								AF-56							

Christmas Break

Explanations*

B/D	Core competence modules Business/Data, 2 modules in parallel, Fridays online and Wednesday afternoons local coaching at HAFL (or online)
E	Cluster specific modules Environment, Thursdays in Bern (or E6 in Olten) OR one-week-block (E3 in Zollikofen, E4 in Geneva)
F	Cluster specific modules Food, Thursdays, F4 in Olten, F5 in Changins (Block week)
AF	Specialization modules, Mondays, Tuesdays, Wednesday mornings, at HAFL
AF	Specialization modules, special time-table
AF	Specialization modules, special time-table
	Exams, special timetable, usually in the morning, up to 2h duration

AF-02	seminar in CW 44-47 or CW 6 (mandatory for IMF students)
AF-21	classes: 19.09 (afternoon), 31.10, 05.12, 30.01, 13.02 (all day)
AF-24	classes 11.06 and 24.06 (afternoon), and 25.06 (all day)
AF-25	classes: 29.01, 12.02 (all day), for RMA-Students 30.01 & 31.01
