

Yearly Schedule MSc in Life Sciences with specialisation in Agriculture and Forest Science AS2024-SS2025

		Autumn																				Spring																													
Calendar Week (CW)		36	37	38	39	40	41	42	43	44	45	46	47	48	49	50	51	52	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16*	17*	18	19	20	21	22*	23	24	25	26	27	28	29	30			
Monday of the week		02.09.2024	09.09.24	16.09.24	23.09.24	30.09.24	07.10.24	14.10.24	21.10.24	28.10.24	04.11.24	11.11.24	18.11.24	25.11.24	02.12.24	09.12.24	16.12.24	23.12.24	30.12.24	06.01.25	13.01.25	20.01.25	27.01.25	03.02.25	10.02.25	17.02.25	24.02.25	03.03.25	10.03.25	17.03.25	24.03.25	31.03.25	07.04.25	14.04.25	21.04.25	28.04.25	05.05.25	12.05.25	19.05.25	26.05.25	02.06.25	09.06.25	16.06.25	23.06.25	30.06.25	07.07.25	14.07.25	21.07.25			
Semester Week		WD	WD	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23			
Specialisation Agriculture and Forest Science Mo (Whole day), Tu (Whole day), We (mornings)	Module																																																		
Applied Research in Natural and Social Sciences	AF-01																																																		
Knowledge Management and Sharing in Agriculture and Forestry	AF-02																																																		
Integrated Natural Resources Management	AF-03																																																		
Logistics, Supply Chain and Network Management	AF-11																																																		
Consumer Behaviour, Markets and Trade	AF-12																																																		
Corporate Responsibility, Quality Management and Traceability	AF-13																																																		
Expansion of Personal Scientific Knowledge	AF-21																																																		
Holistic Assessment of Production Systems	AF-22																																																		
Optimisation of Production Systems in Agriculture and Forestry	AF-23																																																		
Advances in Agricultural and Forest Sciences	AF-24																																																		
Current Topics in Applied Agricultural and Forest Research	AF-25																																																		
Policies and Institutions as Drivers for Development and Innovation	AF-32																																																		
Rural and Regional Development in Practice	AF-33																																																		
International Forestry	AF-41																																																		
Land- und forstwirtschaftliche Produktion in Bergregionen**	AF-51																																																		
Natural Hazards and Risk Management	AF-52																																																		
GIS and the Management of Spatial Data	AF-53																																																		
Regionalmanagement, Tourismus und Pärke**	AF-55																																																		
Landscape Development and Planning	AF-56																																																		
Cluster Specific Either on Thursdays or as block week (3 EC) - min 9 EC																																																			
Journal Club Environmental and Natural Resource Sciences	E1																																																		

Module exams

Remark 1: only available if batch A is full
Remark 2*: Local coaching will be held on Wednesday afternoon. The organisation of the module will be communicated by ZHAW or display on the website below.
https://mslcommunitycentre.ch/pluginfile.php/16316/mod_resource/content/3/SS22_Annual%20Plan.pdf
*CW 16-17: No lectures due to Easter.

preparatory work under "entry requirements". Examples: B1 and B2: Pre-course reading assignments D1: preparatory e-learning material and entry test D2: preparatory work
Remark:
AF: self study (light green)
AF: in place (dark green)
** Blockweeks 1

Last modification on 18.03.2024
