# Module List

## Spring Semester 2019

### Incoming Students

# General Information

---

Please find some important information about modules / courses offered at our Business School.

## Module enrolment

Students may choose from the list, depending on the study programme they will study in. A mix between the study programmes Business Administration and Business Information Technology is not possible. Due to course overlaps, we recommend to pick modules from the same level. In that case, we can guarantee no overlapping.

Level one modules are basic e.g. BWB1040

Level two modules are advanced e.g. BWB2051

Level three modules are at specialisation level e.g. BWB3094

## Requirements

Make sure that you fulfill the requirements for each module as listed in the course descriptions.

If you are not sure, please contact our Academic Advisor Magdalena Boucaud:

[international.business@bfh.ch](mailto:international.business@bfh.ch)

## Schedule

We will send out the individual schedules around in August for autumn semester and in January for spring semester.

## Workload

1 ECTS = 30 working hours

(Further information about the ECTS credit system:

## Min / Max Credits

Every incoming student must at least enroll into courses with a total of 12 ECTS (4 courses with 3 ECTS each). The maximum amount of ECTS credits are 32 ECTS (10 courses with 3 ECTS each and German for Beginners 2 ECTS).
