Autumn Semester 2026/27

Tentative List of Bachelor's Modules for Incoming Students

Degree Programmes:

- BSc International Business Administration (IBA)
- BSc Business Administration (BA)
- BSc Digital Business & AI (DBA)

This module list is tentative and subject to change. The BFH Business School cannot guarantee that all modules listed here will be offered in the autumn semester 2026/27, nor that there will be free spots available in them.

General Information

Student Services (Last updated: December 2025)

*This module list is **tentative**. Nominated and accepted incoming exchange students for the autumn semester 2026/2027 will receive the definitive module list, module descriptions, and detailed instructions for submitting their module selection by email **in July 2026**.*

Module Selection Guidelines

- **At least 12 ECTS** must be completed within the selected degree programme.
- **Additional credits (up to a total of 32 ECTS)** may be chosen from all available Bachelor-level modules. Combining modules from different degree programmes is possible.
- All **module requirements** must be met as outlined in the respective module descriptions.
- **Specialized modules require solid prior knowledge** in the respective area of specialization.
- Students are responsible for ensuring that their selection meets the credit and recognition requirements of their home university.

Timetable & Scheduling

- **Overlapping modules are not permitted.**
- Some modules are offered in multiple classes or groups – you may choose the one that fits best.

Limited Spots

- Module spots are **limited** and assigned on a **first-come, first-served** basis.
- Early submission of your module selection is highly recommended.

Group Projects

- Group projects (assignments and presentations) are a common form of assessment at the BFH Business School.
- Attendance is mandatory on scheduled dates, and all group members must contribute equally.

Module Changes

- Module changes are only possible **before the official start of the semester** (by the end of the Welcome Days at the latest), and must be submitted to international.business@bfh.ch in the form of an updated and re-signed Learning Agreement.
- **Adding or swapping modules** is only allowed in **exceptional cases** (e.g., timetable clashes or unmet module requirements) and requires prior confirmation of availability.
- **Dropping modules** is the only exception, requires no further explanation, and can be submitted until Friday noon of the 2nd week of the semester, with an updated Learning Agreement signed by both the student and the home university.

Exam Period

- The official examination period runs **from 18 January to 6 February 2027**.
- All final exams take place **on campus in Bern; attendance on site is mandatory!**
