ECTS Credits	6
Workload	 180 hours 20 h contact teaching and seminar days 160 hours guided self-study and project work
Module Coordinator	Name: <u>Dr. Christine Jurt Vicuña Muñoz</u> Phone: +41 (0) 31 910 29 50 Email: <u>christine.jurt@bfh.ch</u> Address: BFH - HAFL, Länggasse 85, 3052 Zollikofen
Lecturers	 <u>Prof. Dr. Patricia Elizabeth Fry</u>; HAFL <u>Isabel Häberli</u>; HAFL <u>Dr. Jerylee Wilkes-Allemann</u>; HAFL
Entry Requirements	Prerequisite: • At least 42 ECTS have been covered in the Master programme
Learning Outcomes and Competences	 After completing the module, students will be able to: Define and drive science-based and practice-oriented circular solutions that are co-designed with stakeholders; Professionally communicate and negotiate in an inter- and transdisciplinary setting; Actively participate in scientific discussions with specialists from different disciplines.
Module Content	The expansion modules allow the students to apply their acquired knowledge to concrete projects and to further develop their personal competences. The students define the personal objectives, the content, the approach as well as the type(s) of the assessment of competences together with a coach in their individual <i>Terms of Reference</i> . For detailed information see the <i>Guidelines for the Expansion Modules</i> .
Teaching / Learning Methods	PresentationsCase studiesProject-based learning
Assessment of Learning Outcome	 Oral presentation and discussion (30%) Individual assessment of performance according to the Terms of Reference (70%)
Conditions of assessment repetition	In case of failure, the conditions for repeating or correcting the proof of competence must be determined with the module coordinator and the coach.
	NB: in MSc CIS, failed modules can only be repeated once!

Format	Seminars at the beginning and end of the module as well as a mid-term peer-learning session. Guided self-study to set personal learning targets and individually agreed course contents. This includes, but it is not limited to, project work, self-studies, or relevant internships. Contents must be approved by the coach and agreed upon in the <i>Terms of Reference</i> .
Attendance & Compulsory session	Not compulsory
Timing of the module	Autumn Semester
Venue	Seminar days on-site
Location	Bern, Zollikofen
