Employability

BFH Graduate Survey 2025 (2 years after graduation)

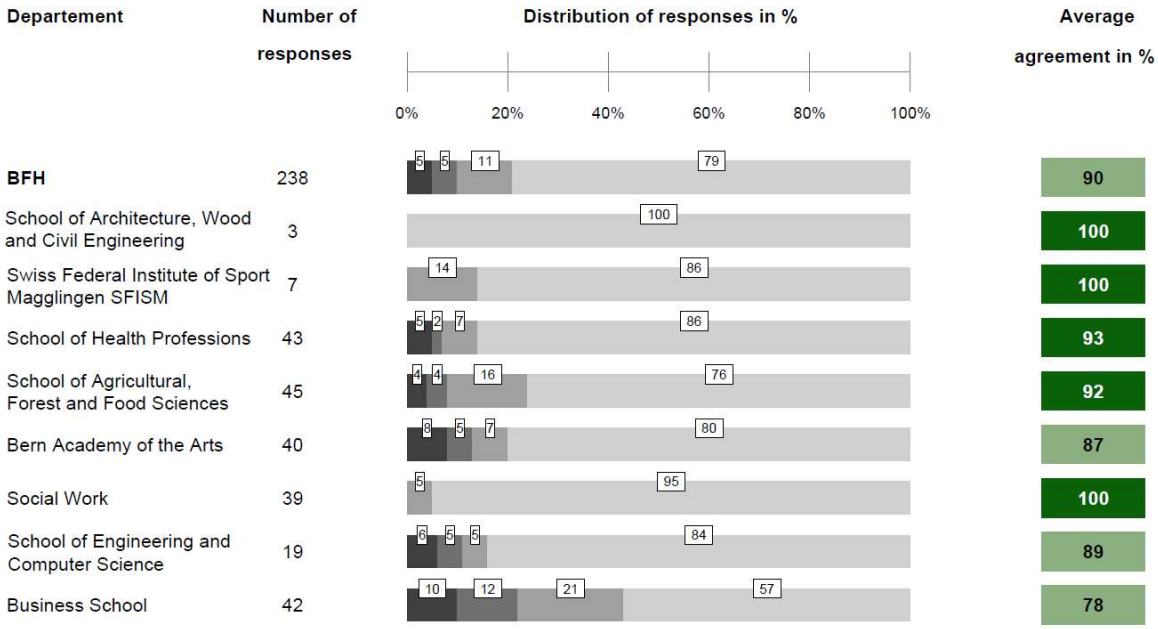

Item: How long did it take you to find your first job requiring a university of applied sciences qualification, starting from the beginning of your active job search?"

positive

- less than 2 months or already employed before graduation
- 2-4 months

negative

- 4-6 months
- More than 6 months

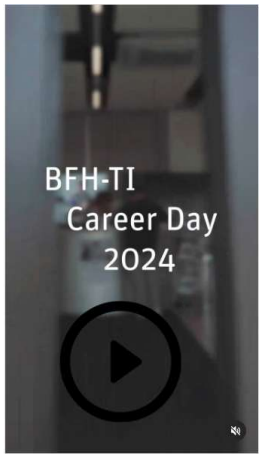

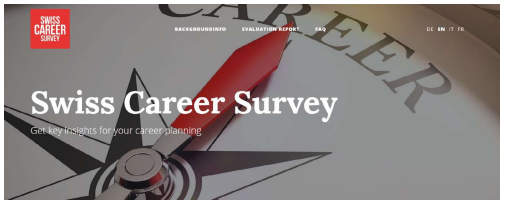

Why Career Services?

- We improve students' **employability** and **career readiness**
- We support smoother transitions from **education to work**
- We strengthen **university–industry relationships**
- We contribute to **institutional reputation and competitiveness**

Swiss Graduate Job Market Monitor

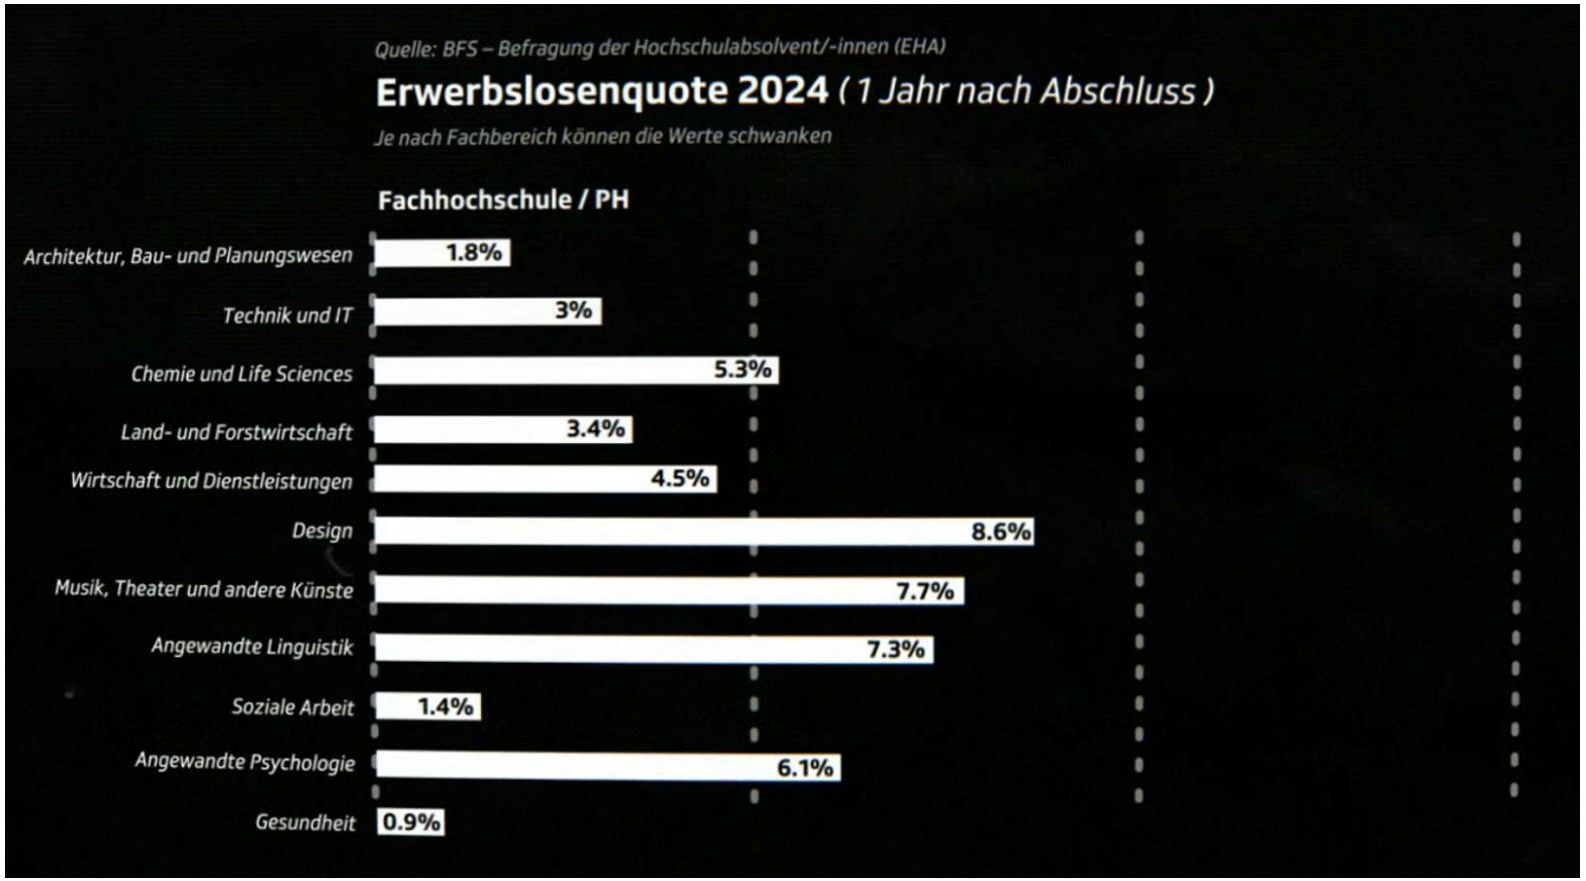

Graph 1: Total number of monthly Job ads Jan- Dec 2022-2025
Numbers based on 15 institutions

source: Swiss Graduates Job Market Monitor (GJMM) = 15 Swiss universities that operate a university-wide job portal for students and recent graduates.

Employability

National statistics on unemployment one year after graduation

We are in touch

- Regular exchanges between the **Councelling Services of the Bern Universities** and the **Career Center of the University of Bern**

- Career Services professionals from BFH are members of the association **Career Services Network Switzerland (CSNCH)**
  - Participation and exchange through Career Services lunches, annual meetings, and workshops
  - Collaboration in cross-university projects (e.g., Swiss Career Survey, Graduate Job Market Report, stakeholder management)

CSNCH annual meeting on the topic *"The Future of Career Services"* at the University of Zurich (June 2025).

Gateway for employers to BFH

In the last two years, a lot of companies made use of the BFH Career Services…
