

Dear visitor,

This canteen will remain open as a company canteen for employees and students. We kindly request external persons to find other catering facilities for the time being.

For the protection of all those present, the following rules currently apply in the canteen:

- **Social distancing:** Keep a distance of at least two metres from other people.
- **Hygiene:** Observe the hygiene regulations of the Federal Office of Public Health: Wash your hands thoroughly, cough and sneeze into a handkerchief or the crook of your arm.

Many thanks for your support!
