

Bern University
of Applied Sciences

Bachelor's Module List

Autumn Semester 2026/27

Modules taught in English
available to incoming exchange students

Degree Programmes:

- BSc International Business Administration (BSc IBA)
- BSc Business Administration (BSc BA)
- BSc Digital Business & AI (BSc DBA)

General Information

Student Services, July 2026

Module Selection Guidelines

- At least **12 ECTS** must be completed within the selected degree programme.
- Additional credits (up to **32 ECTS** in total) may be chosen from all available Bachelor-level modules. Combining modules from different degree programmes is possible.
- Students are responsible for ensuring that their selection meets the requirements of their home university.

Module Requirements & Prerequisites

- All module requirements must be met as outlined in the respective module descriptions.
- If a prior BFH module is listed as a requirement, please assess whether you have completed an equivalent course at your home university.
- Requirements referring to the *Berufsmatura* (Swiss Federal Vocational Baccalaureate) only apply to Swiss students.
- Specialisation modules require solid prior knowledge in the respective area.

Timetable & Scheduling

- Overlapping modules are not permitted. Use the timetable template to plan your personal schedule.
- Where multiple classes/groups are offered, you may choose the option that best fits your timetable.

Module Allocation

- Module places are limited and allocated on a first come, first served basis.
- Allocation of specific modules cannot be guaranteed; backup module options are therefore required.

Workload

- [1 ECTS = 30 working hours](#), including contact lessons, self-study, group work, and exam preparation.

Group Projects & Attendance

- Group projects (assignments and presentations) are a common form of assessment at the BFH Business School. Attendance is mandatory on scheduled dates, and all group members must contribute equally.

Module Changes

- Changes to the approved Learning Agreement are only considered in exceptional circumstances.
- Adding or swapping modules is only possible before the start of the semester and subject to prior confirmation of availability.
- Modules may be dropped until Thursday of the second teaching week.
- Any approved change requires an updated Learning Agreement signed by both the student and the home university and submitted by the relevant deadline.

Exam Period

- The official examination period runs **from 18 January 2027 – 6 February 2027**.
- All final exams take place **on campus in Bern**; on-site attendance is mandatory!
