General Information

This module list is tentative only. Nominated and accepted incoming exchange students for the autumn semester 2024/2025 shall receive the definitive module list, module descriptions and detailed instructions for submitting their module selection by email in the summer 2024.

Requirements

Exchange students are welcome to make their selection from all listed modules, even if those would not all belong under the same degree programme. However, module requirements must be met, as laid out in the module descriptions.

Time Table

We do not allow students to take modules that overlap in time. Sometimes the same module will be taught in more than one classes, in which case you have the possibility to choose one that fits your timetable.

Limited Spots

Modules have limited spots available, and they will be filled on a first come, first served basis.

Module Changes

Module changes are only possible in the first two semester weeks. Drop-outs need no further explanation. Drop-ins into new modules are accepted in exceptional cases, for example in the event of unexpected time table clashes or unmet requirements in another chosen module.

Workload

1 ECTS = 30 working hours. This includes contact lessons, self-study, project work and exam preparation. Further information about the ECTS credit system: https://ec.europa.eu/education/resources-and-tools/european-credit-transfer-and-accumulation-system-ects_en

Min / Max Credits

Each incoming student must enroll into modules with a total of at least 12 ECTS per semester. The maximum amount of credits per semester is 32 ECTS.

Group Projects

Group projects – group assignments and presentations – are very common at the BFH Business School. If group projects are the form of assessment in a module, attendance is required at designated dates and times. Each student in a group must contribute on an equal basis.

Exam Period

Final examinations will take place on campus **13 January 2025 – 01 February 2025** and must be sat on site, so please prepare to be present in Bern during the exam period.
